Welcome to the Australian Technical and Management College (ATMC), an ideal education provider for students seeking an industry-relevant curriculum. ATMC offers a variety of programs in Management, Business and Accounting at Diploma, Bachelor and Master degree level. The Bachelor and Master degree programs are offered in association with the Charles Darwin University (CDU).

CDU and ATMC work together to provide students with relevant, high quality education. Our programs are delivered in a personalised learning environment with a student-focused approach. On successful completion of a Bachelor or Master degree program, graduates are awarded a Charles Darwin University degree that is internationally recognised.

I wish you all the best in your studies and look forward to getting to know you at ATMC.

Dr Manish Malhotra
Managing Director
Australian Technical and Management College

Professors Simon Maddocks
Vice-Chancellor
Charles Darwin University

Welcome

The Australian Technical & Management College (ATMC) is a nationally recognized educational institute in Victoria, Australia. ATMC is pleased to work in association with Charles Darwin University to deliver high quality courses at CDU Melbourne.

Melbourne is not only a great place to study, live and work. Melbourne offers an excellent quality of life and is rated one of the world’s most livable cities. At CDU Melbourne, we are dedicated to providing all our students with the very best support services, so they have a successful academic and personal experience. In addition to the normal support services, international students are provided with a range of specialist services such as assistance with resume-writing and looking for part-time work. Students have access to welfare related support services to assist with issues that may arise during their study, including course progress, attendance requirements and accommodation.
